**Dear all,**

**We're looking for 2 LEAN / 6S Training Profiles, in order to coordinate a major Manufacturing Excellence initiative for a Japanese Automotive Company.**

**This is a 12 months assignment, open to Freelance candidates.**

 **POSITION**

**2 LEAN / 6S / Manufacturing Excellence** profiles capable to deliver 6 Sigma Training.

 **CLIENT**

Our Client is a leading Tier 1 Automotive Company, operating worldwide.

 **LOCATION**

- Japan (multisite)

## SCOPE

Our Client is looking for 2 strong **LEAN / 6S** “TOYOTA or CAPGEMINI LEAN Management like” profiles, for the rollout of a Manufacturing Excellence project, capable to support the implementation, train and coach his employees in different Production Units, based in Japan (only).

The candidates need to "breathe LEAN / 6S", be very shop floor oriented (“boots on the ground”), know the Manufacturing Excellence levers and, be very skilled in **Training and Coaching**.

The following processes will be addressed (non-exhaustive list):

1. **Production**
2. **Maintenance**
3. **Supply-Chain**
4. **Methods**
5. **Quality**

## TECHNICAL PROFILE

- A university level degree with appropriate Project Management methodology qualification & a good Project Management experience from the Automotive Industry is required
- The candidates must have also worked in the Management Consulting environment (mandatory)
- Keywords that need to “flash” from your professional background: LEAN, Operations & Manufacturing (Production, Maintenance, Quality, Logistic), 6-Sigma, Black-Belt
- Management Systems (KPI, data & dashboards) analysis and design
- Knowledge of the Automotive industry is a plus but, not mandatory (the ideal candidates would have a broad experience of LEAN / 6S, in this sector).
- Good communication skills.
- Oral presentations talented, at C-level
- Good at data mining and numbers crunching
- Must demonstrate integrity and consistent work approach.
- Strong organizational and interpersonal skills.
- Ability to work in a team environment with shifting priorities and requirements.
- **6 Sigma / Black Belt Trainer Certification(s) are a plus**

## REMUNERATION

Attractive daily fee, expenses fully reimbursed **base Japan**.

## PROBABILITY

Absolutely certain.

## LANGUAGES

Totally fluent in Japanese, written and verbal + very good English skills - are mandatory, for those applying.

## START / END

Immediate start.

## WORKLOAD

Full time during 225 days, renewable.

Interested? Thanks to forward us a **Word document** including a **COVER LETTER** and your updated **RESUME** (in **ENGLISH**), respecting the requested [Template 1 format from our website](#), mentioning the **460** reference and your salary expectations. Please, send a unique file.

Only complete applications, strictly answering to the expected criteria, will be addressed.

If no answer was given to you after a period of 10 days, please consider your application as not selected.
