Logistics / Reflex Warehouse Management System Consultant

France

Reference 475

March 6th, 2020

Dear all,

We are looking for 1 Logistics Reflex WMS Consultant, for the French Consumer Goods Industry.

This search is open to free-lance professionals.

POSITION

1 Reflex / Logistics Consultant to assist the implementation set-up and the operational use of the WMS tool.

CLIENT

Our Client is a Consumer Goods Industry actor that works with major and mid-range department stores, supermarkets and hypermarkets.

LOCATION

Southern suburb of Paris, department of Val-de-Marne in the Ile-de-France region.

SCOPE

Under the governance of the Logistics Director and the Transformation Department, Reflex Warehouse Management System (WMS) will be implemented in order to allow a reliable, efficient and agile logistics execution and meet e-commerce and omni canal challenges.

Willing to deliver products with tighter deadlines and outstanding quality of service, to control logistics costs (productivity gains, inventory and transport optimization), to increase agility and be responsive to change (fast rotation rates, seasonal variation), our Client wants to improve collaboration with its Suppliers and Carriers, upstream and downstream, of its warehouses.

The mission will cover the phases of analysis of the Reflex WMS integration framework, piloting and carrying out its operational implementation, and change support from, both, a technical and an organizational point of view.

TECHNICAL PROFILE

A university degree in Engineering or Business Management with prior Project Management and Management Consulting experience in Supply-Chain Management, Logistics and Warehouses / Stocks Optimization (15 years of professional experience, minimum).

The Candidates should have a solid **Wholesale Distribution** knowledge, preferably in the food sector. If not, applications won't be considered.

You have a solid proven knowledge of the REFLEX WMS tool, that you've already implemented.

At ease with operational implementation, support to operational staff, change management support, assistance with Contracting and Project Management, you know how to:

- set up authorizations, up to the input field
- interface
- manage Clients / Customers
- work on multi-warehouses / multi-sites
- deal with differentiated inventories
- configure workflows and strategies
- generate integrated forms
- edit dashboards and management reports with logistics KPIs
- oversee integrated resource management
- document records and movements
- manage process traceability, batch tracking and serial numbers

REMUNERATION

700 € / day. Expenses reimbursed in strict compliance of Client's T&E's policy.

PROBABILITY

High.

LANGUAGES

Fluent / Native French and read spoken written English are mandatory.

START / END

April 2020 till the end of 2021 (summer holidays taken into account).

WORKLOAD

Full time for 18 months, in renewable 6-month periods (300 / 350 days in total).

Interested? Thanks to forward us a **COVER LETTER** and your updated **RESUME (in FRENCH)**, respecting the requested **TEMPLATE 1** application format from our [website](#), mentioning the **475** reference. Please confirm your claims for a 300 / 350 days renewable work basis.

Please send a unique file to application@veasourcing.com

Only complete applications, strictly answering to the expected criteria, will be addressed.

If no answer was given to you after a period of 10 days, please consider your application as not selected.

If this role isn't right for you, don't forget to forward it to your own network - it may be perfect for someone else!
