

VÉA Sourcing search
Management Consultants
The Netherlands

February 21st of 2023

Dear all,

We're looking for Management Consultants to work in The Netherlands, for one of our Clients, from the Nuclear sector.

This Interim Management position is open to Freelance Consultants.

Our Client needs skilled Management Consultants to work in The Netherlands.
4 to 6 FTEs are required.

Our Client is French key player from the Nuclear industry, leading a major Dutch project.

www.veasourcing.com

LOCATION

The Netherlands.

Priority will be given to Candidates living close to Amsterdam, Zeeland and / or Western Netherlands areas.

Applications from outside The Netherlands and non-Dutch Candidates will also be considered.

SCOPE

Our Client wishes to reinforce his Team with several **Management Consultants**, helping to solve issues, create value, maximize growth and improve Project performance (we're on Reactors / Small Modular Reactors (SMRs) Investment Project).

There are 3 open positions:

1. **Junior Consultant**, ensuring that the Corporate activities comply with industry standards and regulatory guidelines, supporting the project development efforts and delivery of large-scale technical and management programs.
2. **Senior Consultant**, performing as an individual contributor on Client engagement teams, working under the supervision of an Engagement Director and/or Partner, to develop work product, lead specific project initiatives / workstreams, and act as a Subject Matter Expert.
3. **Project Manager**, planning and overseeing project within an organisation, from the initial ideation through to completion, coordinating people and processes to deliver projects on time, within budget and with the desired sustainable outcomes aligned to objectives.

TECHNICAL PROFILE

- ⇒ BSc/BA in Business Administration or Engineering with Management, Change Management Major or Background
- ⇒ 5 to 10 years of experience in a similar position
- ⇒ Familiar with Government / Public Sector / Political Involvement project environments (used to working with project Stakeholders having strong political involvement)
- ⇒ Familiar with the Nuclear Industry (or similar sector)
- ⇒ Modern Supply-Chain understanding (complex, spanning multiple sites / countries and, involving many steps).
- ⇒ P.M.O. understanding (defining and maintaining standards for project management within the organization).

Skills

You need to have a wealth of business knowledge, but also the following skills (and more!):

Teamwork

Your role will require you to work alongside Management Teams and other Departments within an organisation. You will need to be able to work with a range of different people, all from different backgrounds and from across the business, to come up with solutions and plans for the organisation to develop. You'll be asked to build effective presentations and lead key meetings.

Commercial awareness

To provide Expert Advice, you need to be consistently up to date with things that are happening in Client's Industry, as well as what the organisation does and how to improve it.

Analytical skills

Oftentimes your work will revolve around analysis and how to use this analysis to improve our Project. Therefore, you need to be able to compartmentalise information from across the board and use this to come up with solutions.

Work well under pressure

This is an intense role and it has its challenges; you need to be able to cope with the pressure and continue to work to the best of your ability, meeting deadlines and achieving any targets you decide to set.

REMUNERATION

800 to 1.000 € per day.
Expenses reimbursed base home.

PROBABILITY

Fair chances, close to absolute certainty.

LANGUAGES

Excellent written and oral command in **English** (fluent / native level is mandatory).
You're expected to have an excellent written and oral command in **Dutch** and / or Flemish,
French being a plus.

 START / END

March of 2023, for 12 renewable months.

 WORKLOAD

Full time for 220 renewable days.

30% home office time is envisioned.

Priority will be given to full time available Candidates.

Candidates will need to be authorized to work in The Netherlands and, will need to have a valid Professional Liability Insurance (for the whole assignment duration).

Interested? Thanks to forward us a **COVER LETTER** with your **RESUME (in ENGLISH)**, respecting the [TEMPLATE 1 application format, from our website](#), mentioning the **570** reference.

Please send a unique file to application@veasourcing.com, along with the results of [Your Self-Assessment](#) and the position you're applying to.

Only complete applications, strictly answering to the expected criteria, will be addressed.

If no answer was given to you after a period of 10 days, please consider your application as not selected.

If this role isn't right for you, don't forget to forward it to your own network - it may be perfect for someone else!
